

**Where we've been, what
we've achieved and
where to go next**

The Future of Applied Health
Research for the Wessex Health
Economy

Hosted by NIHR CLAHRC Wessex

0900-1300hrs Wednesday June 21 2017

De Vere Grand Harbour Hotel
Southampton

NIHR CLAHRC Wessex invites you to this event as part of a Wessex-wide consultation to determine the next 5 years of applied health research.

We invite your views on what health challenges face the Wessex region in the next ten years. Below are some topics for discussion at the event.

Healthy Ageing

Prevention and Management of Long Term Conditions

Technologies for Self-Directed Support

Health Delivery Systems and Data Science
